TEXTURED PRINTS

A number of prints we offer feature a textured finish that closely replicates the look and feel of oil on canvas. Look for the "Textured" notation.

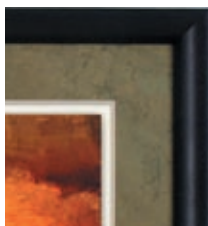

HAND COLORED PRINTS

Within this catalog you will also find a number of unique prints that have been individually hand colored by artisans from around the globe. Look for the "Hand Colored" notation.

DIMENSIONAL/DECKLED

Some of the art has special treatments designed to give depth. These treatments can include fillets, raised art or matting, and deckled (hand torn) edges.
